Dear Parishioners

We have found over the last few years with the registering of students for Sacraments that people are missing out on important Parish information.

Should you remove your child from a school within our Parish however remain at your residential address you can keep up with Parish news in a number of ways.

Attendance at Mass will always ensure you are up to date with Parish events.

The Parish bulletin is a source of all event information, it can be found on our Facebook page, in the foyer of your church, on our website, or you can request to be added to our weekly email list.

Our website is also a source of information, the Sacraments letter is always uploaded to our website – www.stpaulsmossvale.org.au or the Parish Facebook “St Paul’s Catholic Parish, Moss Vale”.

We provide deadlines to our Sacramental programmes for our own administrative purposes. As with any programme, we need to finalise numbers, prepare paperwork, booklets and content. Should you find yourself outside of the deadline, don’t panic, we run these programmes yearly.

It is not mandatory to have your child partake in the Sacraments, nor must it be done at a certain age however your child must be Baptised a Catholic to partake in the other Sacraments.

To ensure you are not disappointed in the future please consider keeping up to date with Parish news by utilising one of the many sources of information as suggested above.

Yours in faith

Fr Richard Green, OSPPE
Parish Priest
